

## Loop.java

```
1 package InfnitLoop;
2
3 public class Loop {
4
5     public static void main(String args[])
6     {
7         for(;;)
8         {
9             System.out.println("This is an infinite loop");
10        }
11    }
12
13 }
14
```
